

FREE FALL HAZY IPA

TASTING NOTES

STRAWBERRY PRESERVES

PASSION FRUIT

DRIED LIME

MANGO

Free fall starts with a medium to full body thanks to a heavy adjunct grain bill of oats and wheat on top of Pale 2-Row, creating a characteristic haze and sturdy mid-palate. The hop trio of Strata, Citra, and Nelson need no introduction but serve to really bring forward fruit expressions with a dank edge. Strawberry and peach preserves kick off a medley of fruit flavor that also leans into mango, lime, and passionfruit, with an herbal, kush-like finish.

Featured Hops: Strata, Citra & Nelson.
